"TEA FOR THREE"

Once More There Comes a Notable Play To Park Theatre—Fine Cast and Effectively Staged.

"Tea For Three," the comedy drama which will be presented at Park Theatre tomorrow, is a story of Americans, their life, manners and their philosophy. It has been described as being a happy combination of a delicate problem, a sympathetic understanding of the past and a plentiful sprinkling of laughs. While it is in truth an angle on the triangle, it may as well be told here as said later, that it is a decidedly wholesome angle that is presented. While there is a wife, a husband, and "the other man" who is a perfectly nice wife, and he is just as fine a man. No play from the pen of Mr. Mergue could be otherwise.

"Tea For Three" comes here staged effectively, cast excellently, and bearing the stamp of a successful author and management that has won high praise for itself in the theatrical world by an almost uncanny ability to choose for presentation only plays with merit and popular appeal.—Adv.

ROCKLAND HIGH SCHOOL

Miss Leola Robinson, R. H. S. 1918, was a caller at the High School yesterday. She has been employed since August, 1918 in Washington, D. C. Miss Robinson said that one day as she was going to dinner with The Courier-Gazette in her hand, a lady stopped her and said: "Do you come from Rockland, Maine? That is my home town also." She did not get the lady's name.

Miss Ethelyn Walls was a recent caller also. Miss Walls, has the appointment of "Critic Teacher" at Farmington Normal School. Miss Walls supervises the work of the teachers in four of the model schools, and is, herself, under the supervision of Miss Lillian Lincoln, so well known throughout the State as author and teacher.

Miss Myrtle Joyce has re-entered the class of 1921. Since her Sophomore year she has been a member of Portland High School. Miss Viola Staples of Gott's Island entered with her.

Clyde Record of South Berwick Academy, Miss Doris Lunt of Bath High, Miss Morey of Castine High, Miss MacWhinnie of the Concord, Mass., High and Benjamin Reed of Bucksport Seminary are some of the new arrivals in Rockland High.

KILLED FOUR COWS

Minus four cows, but thanking his lucky stars that he did not share their fate, is Loren Packard of Warren. Last Thursday afternoon the New York train came over the Knox & Lincoln Division in two sections. The special overtook Mr. Packard and his herd of cows, and plowing through the latter must of four of the animals. Mr. Packard escaped by leaping over the embankment, but even then found himself in a perilous position as the carcass of one of the cows almost rolled upon him.

THE FINAL RALLY

Ex-Gov. Stokes and Hon. H. P. Gardner Present National Issues Very Forcibly.

What a pity that every voter in Rockland could not have heard Ex-Gov. Stokes of New Jersey, who addressed the Republican rally in Temple hall Saturday night. The former governor is an old campaigner, and his address was full of wit and satire at the expense of an administration which delivers its valedictory next March.

"I don't know what this discussion is all about," said Gov. Stokes. "It would seem as if, after seven years of Democratic rule, that the argument was all over. I am sure that Thomas Jefferson would turn in his grave if he could read the record of the Wilson administration."

"No single track mind is big enough to run double-track America," Gov. Stokes asserted. It looks to me as if the Federal Reserve hasn't fallen down it certainly has not reached up to expectations. He said that the administration has not kept faith with the three million Liberty Bond holders, and that no honest government penalizes its citizens \$15 on a hundred for being patriotic. "When the Republican party comes into power," he declared, "every available resource of the government will be used to protect those bonds."

The audience also heard a vigorous speech from Hon. Halbert P. Gardner of Portland, who was the Progressive candidate for governor a few years ago. "I have no use, whatever, for the League of Nations," said Mr. Gardner. "I wish it was buried in the ocean, and I think it will be. It stands for international finance; not international morality. It looks to me as if Europe was furnishing the liabilities and we were furnishing the assets. Isn't it about time we had some American in power who looked after our interests?"

Dr. G. L. Crockett made a statement in defense of W. O. Rogers, the Republican candidate for representative to Legislature. Milton M. Griffin, candidate for clerk of courts, presided.

A MAIN STREET BURGLARY

About \$2000 Worth of Clothing Taken From G. K. Mayo's Store Friday Night Or Saturday Morning.

The clothing store of G. K. Mayo at 433 Main street was burglarized Friday night, goods to the value of approximately \$2,000 being taken. Not being satisfied with this haul the burglars helped themselves to the contents of the cash register, amounting to between \$20 and \$30.

Police burglars they were, however. Conspicuously posted on top of the cash register was a placard, which read:

As the fastenings of the basement door and rear windows were not disturbed the authorities are of the opinion that the burglars made their entrance and exit through the store door. This door was fastened when

THE QUARRY DRAG

Making a Trip On One Suggests a Flight In An Airship.

Editor of The Courier-Gazette:—

Yesterday afternoon I heard a noise familiar to me although strange in this locality. I told my little niece that an airship was passing overhead. She went out to look and I followed. Sure enough, there it was, flying quite low, heading south. That was the first one I had seen since I have been here. They were very plentiful around New York when I was there. That is why I recognized the sound so readily.

I had had a sort of airship experience too. Saturday morning, when I had been sent over to the Bryant quarry to repair a pump, I found that it would be necessary to go down on the drag on which they hoist out the lime-rock. In making a trip on an elevator, in a 40-story building, you don't see where you are going, and it doesn't seem so much, but when you swing out over that deep hole in the ground, and look down and see that half acre of green water 150 feet below, it will make you think, and wonder how long ago an inspector looked over that outfit.

After Steve Cables, the superintendent, promised to take care of my family if anything happened to me, I got on the drag and was started on my

downward career. I had an awful of tools, but decided I would lay them down, and use both hands to hold on with. Also I was too busy holding on, to notice if I passed through any air pockets.

I was finally landed on a shelf, where six or seven men were digging rock, and had then to scramble down over some rough going, to get to the pump. It was located on the very edge of a bluff, about 25 feet above the green water afore-mentioned. I don't know how deep the water was, but I guess it was deep enough. I had to go back to Camden for more tools, which necessitated three more trips on that airship, but I completed the job, hanging on by my eyebrows, and was glad of it.

While in the quarry, I had to notice how differently that work is carried on than when I was a boy. In those days the teams used to drive down to the quarries, and load the rock on the wagons. The drilling is now done by compressed air; then, it was by hand, with a churn drill, a slow process. Times do change. M. M. Brown, Camden, Sept. 12.

William F. Simmons has moved from Mechanic street into the Burpee house on Water street. Mr. Simmons went to North Haven early in the summer to work at his trade. The job occupied two weeks, but led to so many others that Mr. Simmons is still there, although nearly ready to return to his Rockland home.

THE FOUR-LEAVED SHAMROCK

I'll seek a four-leaf'd shamrock
In all the fairy dells,
And if I find the charmed leaves,
Oh, how I'll wear my spells!
I would not waste my magic might
On diamond, pearl, or gold,
For treasure lives the weary sense,
Such triumph is but cold.
But I would play th' enchanter's part,
In casting bliss around,
Oh, not a tear nor aching heart,
Should in the world be found.

To worth I would give honor,
I'd dry the mourner's tears,
And to the pallid lip recall
The smile of happier years;
And hearts that had been long estranged,
And friends that had grown cold,
Should meet again like parted streams
And mingle as of old;
Oh, thus I'd play th' enchanter's part,
Thus scatter bliss around,
And not a tear nor aching heart,
Should in the world be found.

The heart that had been mourning
O'er vanished dreams of love,
Should see them all returning,
Like Noah's faithful dove,
And hope should launch her blessed bark
On sorrow's darkening sea,
And Mistry's children bare an ark
And sail'd from sinking le;
Oh, thus I'd play th' enchanter's part,
Thus scatter bliss around,
And not a tear nor aching heart,
Should in the world be found.

—Samuel Lover.

Saves One Half Your Time In Cooking

The Gold Medal Glenwood doubles cooking capacity, and promotes cooking efficiency to the highest degree.

There are two separate ovens—one for coal and one for gas. Both ovens may be used at one time—or either may be used singly. In addition to the two baking ovens, there is a gas broiler oven. There is room on the coal and gas sections, at the top, for NINE large utensils.

While bread is being baked in the coal oven, pastry may be baked in the gas oven, meat may be broiled in the broiling oven, and cereals and vegetables may be cooked on the top.

Where did you ever hear of greater capacity?

The Gold Medal Glenwood is efficient every day in the year. In the winter, the coal section not only looks after the cooking, but it helps warm the kitchen. In the summer, the gas section takes care of the cooking and keeps the kitchen cool.

THREE-TIMES-A-WEEK

Rockland, Maine, September 14, 1920.
 Personally appeared Neil S. Perry, who on oath declares that he is pressman in the office of the Rockland Publishing Co., and that of the issue of The Courier-Gazette of Sept. 11, 1920, there was printed a total of 6,017 copies.
 Before me, FRANK M. MILLER, Notary Public.

THE REPUBLICAN LANDSLIDE

Not since that memorable historical occasion in ancient political days when Maine went for Governor Kent—

Has the country been so profoundly stirred, as by the news flashed last night to the four quarters of America, that the Old Pine Tree State had fired the first great gun, announcing the forward movement that is to overwhelm and bury Wilsonism, forever put an end to one-man government and start this country upon a renewed and glorious career of prosperity at home and dignified and effective influence abroad. Not within present memory has such a rebuke been administered to a political autocracy.

The election of Col. Parkhurst to the Governorship by the never-before-attained majority of 65,000, the election of our Congressmen by a phenomenal vote, the carrying of every county, and a Legislature that is practically unanimous in both branches, is the outward measure of this extraordinary Republican victory. What it means in its effect upon the national situation can scarcely be over-estimated. The landslide here in Maine started is going to overwhelm the entire country.

THE WOMEN?—WELL!!!

When The Courier-Gazette stated in its Saturday issue that the election in Rockland and Knox county lay in the hands of the new women voters, it could not have dreamed that they would with such tremendous emphasis set their seal of endorsement upon that statement. Here the women have done as the women all over Maine have done, aligned themselves with the Republican party, on the side of law and order, for the sanctity of the home and the preservation of our country. There used to be a toast proposed on all memorable occasions, most fitting now to be drunk in whatever sparkling beverage the occasion may supply: "The ladies—God bless them!"

IN KNOX COUNTY

The political overturn here in Knox county is a thing of amazing proportions. Every Republican candidate elected to the county offices by majorities running up to 1900, with only one Democratic member of the Legislature winning by the margin of 9 votes, shows how determined the people were that there should be here at home a thorough house-cleaning. But not the most sanguine Republican could have believed it possible that the overturn should take on such overwhelming proportions.

KNOX COUNTY HEALTH

Arrangements are being made for that public meeting for the formation of a Knox County Health Association, auxiliary to the recent installation here of a public health nurse. The date of meeting is to be announced. Now that the summer vacations are ended and the election settled it is time to attend to some of those other important matters.

HARK, FROM THE TOMBS!

In the deep blackness of midnight, the heavens dropping their cold, cold rains, the muffled forms of the Democratic Campaign Glee Club were seen marching homeward, lugubriously raising their voices in the solemn refrain:
 "I didn't raise my wife to be a Republican!"

W. C. T. U. CONVENTION

Annual State convention of the Maine Women's Christian Temperance Union will meet in Augusta, Penny Memorial church, Sept. 28-30. The first evening session will be held in the house of representatives at the capitol. Many distinguished speakers are expected. On the evening of the 29th a pageant, "The Power Behind the Throne," will be given in city hall, representing the history and the future of this great organization. It will include over 100 actors from Augusta talent, and the pageant will be in charge of Miss Astrida P. Nickerson, State field worker.

LINCOLN COUNTY LIKEWISE

Lincoln county Republicans also made a clean sweep yesterday, electing their entire ticket and giving Parkhurst a majority of about 1500. Wadoboro went Republican by 125.

The Knox County Women Had a Word to Say.

AS MAINE GOES SO GOES THE COUNTRY

And Yesterday Maine Gave Parkhurst a Majority Which May Exceed 65,000—Republicans

Also Elected State Auditor and Four Congressmen and Will Have Overwhelming Majority in Legislature—Knox County Redeemed From Democratic Rule At Last—Republicans Elect Entire County

Ticket By Majorities Ranging From 990 to 1527—Hats Off to the Women Who Made It Possible To Begin a National Victory For "America First."

Frederic H. Parkhurst, Republican, was elected Governor of Maine yesterday by a plurality, which at a late hour promised to be the largest in the history of the State. His Democratic opponent, Bertrand G. McIntire, received approximately half as many votes as Mr. Parkhurst.

Returns from 518 election precincts out of 632 in the State (representing 422 cities and towns out of 519) gave for Governor: Parkhurst, 116,334; McIntire, 60,037. The same precincts in 1916 gave Milliken 70,118, and Curtis, 58,579.

The Republicans carried all four Congressional districts by large majorities, re-electing Congressman Wallace H. White, Jr., John A. Peters and Ira G. Hersey, and electing Carrol L. Beedy of Portland in the First District, where Congressman Goodall was not a candidate for re-election. They also obtained a commanding lead in the State Legislature and elected Roy L. Wardwell of Augusta as State Auditor.

The part played by the new factor—the women's vote—was evident. In all parts of the State women availed themselves of their first opportunity to vote in a State election and the figures showed that a large majority of them voted a Republican ticket.

The Republican strength was uniform throughout the State. Several of the cities which showed small Democratic pluralities in 1916 returned large pluralities for Parkhurst. In many others which went Republican four years ago, the plurality for that ticket was greatly increased this year. Considerable significance in the outcome in its bearing on the voting for President in November was apparent from the fact that the campaign was fought out almost wholly on national lines with the League of Nations as the chief issue.

In Knox county the Republicans not only overcame the 800 majority given the Democrats in the last Presidential election, but piled up a majority of 1282 for Parkhurst—a net Republican gain of nearly 2000 in four years. Dwinall of Camden, the Republican candidate for county attorney, was high water mark of a majority of 1527, Miles of Rockland, the Republican candidate for judge of probate, being second with 1217 majority.

Knox County Somersault
 Basing their hopes on the favorable reports which were coming in from all quarters the Republicans for a week past have thought that they might elect a portion of their county ticket. County chairman G. Herbert Blithen, who began a systematic canvass early in the summer, and built up the strongest organization that the Republicans have had in Knox county for 20 years, predicted Saturday night that Rockland would go Republican by 300, and that this would represent the Republican majority in Knox county.

Rodney I. Thompson, of Rockland, Elected State Senator by 1133 majority.

That the Republicans would elect every candidate, and that their majorities would reach the amazing maximum of 1527 was beyond the wildest dream that anybody could possibly have experienced.

The extraordinary interest in the outcome was shown by the crowd which packed The Courier-Gazette office for four solid hours while the returns were being received. Scores who were unable to gain admittance remained outside in the drizzling rain, apparently caring naught for the elements while the Republican deluge went so satisfactory.

The first town in Knox county to report—and it was also the first in the State—was Cushing, and Cushing stood pat, with 61 votes for each of the candidates for governor. The word came from Town Clerk Oliver H. Woodcock. The first town to make a complete report was Union, and Fred E. Burkett has had that distinction in numerous elections.

The first wireless returns ever given in Knox county, the vote from Cribhaven for governor being given through H. J. McClure's station to Ross L. McKinney, who has charge of the amateur station of A. C. McLoon & Co. The Cribhaven operator was Miss Pepper. Cribhaven gave Parkhurst 16 votes and McIntire 10. With the exception of Thomaston and the island towns of Matinicus and Isle au Haut, the complete vote for Governor was received in this office at 9 o'clock standard time, a remarkable piece of efficiency, considering the greatly increased totals in every town. The Courier-Gazette wishes to give full credit for this fine showing to those who had charge of the tabulation, W. J. Sullivan, Judge Frank B. Miller, A. C. McLoon, Fred C. Black, William S. Healey, Kenneth Blackington, Walter H. Butler, and A. W. Gregory, and to those who so promptly furnished the returns from the Rockland wards and the county towns. The Courier-Gazette is also grateful to Mrs. Foss, chief operator at the telephone office, who saw that all of the exchanges in Knox county were kept in operation until the last word had been said.

The brief review of the county situation permissible this morning shows that only four towns went Democratic—Friendship, Rockport, St.

Zelma M. Dwinall of Camden, Elected County Attorney by 1527 majority.

George, and Washington—and the Republicans made big gains in each. Appleton gave a Republican majority of 34. Sheriff Hobbs ran considerably ahead of his ticket.

Camden, with a Republican majority of 318, performed some remarkable gymnastics in the case of its two favorite sons, Z. M. Dwinall, the Republican candidate for county attorney, and Sheriff Hobbs, who was a candidate for re-election on the Democratic ticket. Mr. Dwinall had a majority of 570, while Sheriff Hobbs with a majority of 24 was the only Democrat who had a look-in there. Sheriff Hobbs has every reason to feel satisfied with the loyal manner in which Camden has stood behind him on all occasions.

The Friendship result was what might have been expected, but it will doubtless be a shock to that rockribbed Democratic stronghold to find that the Republicans mustered so many votes.

Hope came through smiling, with an unexpected Republican majority of 22. The sheriff candidates divided honors.

North Haven did what they said it would, and more—the Republican majority being 106.

What more to say about Rockland, which the Democrats have owned body and soul for five years, and which yesterday gave Parkhurst 566 majority. The women kept their word.

South Thomaston Republicans did a splendid chore, Griffin, candidate for clerk of courts, was especially strong there.

It was not to be supposed that St. George would do anything different than its neighbor, Friendship, but the Democratic majority of only 55 showed that the Republicans had been doing grand work.

Rockport, used to big Democratic majorities, found that the Republicans were close on the heels of their opponents. Dwinall, Emery and Hobbs ran well ahead of their respective tickets in that town.

Union did the thing up brown, with a majority of 167 for Parkhurst. Raymond E. Thurston, the Republican candidate for sheriff, received the highest vote cast there, but an examination of the figures shows that the men and women of Union did very little splitting for either ticket.

Vinalhaven was in the procession, with a Republican majority of 53, as against heavy Democratic majorities for many years. Tyler M. Coombs, the Democratic candidate for clerk of courts, ran 95 ahead of his ticket.

The optimistic prediction which the Republicans of Warren had been making for several weeks were borne out by the returns. Tyler M. Coombs, the Democratic candidate, had nine majority. The Republicans gained five representatives from Knox county.

Follows the vote for Knox county minus Isle au Haut and Matinicus:

The fall steamboat schedule of three trips a week goes into effect Sept. 21.

With the northeast wind yesterday came an unusually high tide.

The harvest moon is with us, but who has seen it?

The East Coast Fisheries Company suspended operations yesterday afternoon in order that its employees might have an opportunity to vote.

Speaking of sunflowers, can anybody beat the one which was produced in Harvey W. Richards' garden at 13 Bunker street? It stands 12 feet and 7 inches in height, and one of the leaves, which was brought to this office for exhibition purposes, measured 20 inches across. The sunflowers in this garden average about eight feet in height, and the leaves average about 14 inches across.

Miss Irma Orbeton is clerking at the Western Union Telegraph office.

The W. C. T. U. will hold a meeting at the Baptist chapel Friday at 2.30 p. m.

E. C. Sidelinger, who has been spending part of the summer in this city and vicinity, has returned to Edgartown, Mass., where he has employment.

London C. Jackson has bought the place on Camden street formerly owned by the late Gordon M. Hix.

The new schedule of prices at the local theatres went into effect yesterday. At the Park Theatre the afternoon admission is 11 cents for balcony and 17 cents for floor, and the evening prices are the same as before 17 and 22 cents. At the Empire Theatre children under 10 are charged six cents, and adults 11 cents, afternoons. The evening prices are 11 cents for children and 17 cents for adults. Similar advances have been made in Bangor and other cities, and it is due to the great increase in the cost of films.

Limerock Valley Pomona Grange will meet at Vinalhaven Saturday. The boat will leave Camden at 8 o'clock, fast time. Program in full will be printed in the next issue.

The Fort Williams Band, which was of such great assistance in Rockland's Centennial Week celebration, lost one of its band books while here. A great favor would be conferred by returning it to Charles L. Robinson at Burpee & Lamb's clothing store.

The Gen. Berry House Co. holds its 26th annual levee and ball next Friday night. The date was incorrectly given in a previous issue as Oct. 17.

Ward 2 boasted the only woman ballot clerk in the city yesterday, the honor being held by Miss Harriet Trask, one of the city teachers.

The fire department spent half an hour at the Northend Sunday afternoon hunting for a fire which did not exist.

Capt. Jacob T. Thorndike, watchman at the Cobb shipyard, who recently threw his week's pay into the fire instead of the envelope which had contained it, is very grateful to the workmen who made him a handsome present to recompense him for the loss. Fine spirit down there, we'll say.

A special meeting of King Solomon Temple Chapter will be held Thursday night, for work on six candidates. Refreshments.

Senator Frelinghuysen, who spoke in Rockland, made the same fine impression elsewhere in this State. The Bath Times says: "Even now those who heard it are expressing hearty approval of the speech of Senator Frelinghuysen delivered at Columbia theatre Tuesday night. The absence of 'mud-throwing' and the senator's clear, concise method of talking seem to have won him many admirers here. It is said that he and Senator Poindexter of Washington are two of the most feared men in the United States Senate. Whenever either one of these men speaks the other senators listen with more than usual attention."

The Tuesday night dance is at Watts hall, Thomaston, with Marston's music.

Passengers on one of the Camden bound cars Sunday afternoon felt their hair rise and chills run up and down their spine as they witnessed what certainly looked like an impending tragedy. As the car neared James street a horse-drawn vehicle occupied by Rufus E. Moore, was seen to leave its position on the right hand side of the street and swing sharply in front of the car, with the apparent purpose of turning up James street. The rails were slippery and it would have been impossible to stop the car in any event. In the resulting collision the wagon was partly demolished. Mr. Moore was rescued from the ruins bleeding freely from a scalp wound. As a matter of precaution he was taken to the Silsby Hospital. It was found that no bones were broken, and Mr. Moore returned home soon afterward. It was a mighty narrow escape.

"Words are not acts.
 Oratory does not take the place of action."

To those who stand on the "wet platform" our overcoats are certainly a necessity, \$25 to \$65.

Our new ones are ready, warranted to fit any "party"

AND

To those who believe in "keeping dry" these raincoats are equally needful; prices \$6 to \$30. Girls' "Suede-like" Tams, all colors, \$1.50.

J. F. Gregory Sons Co.

Howard Kaler at 14 Railroad Avenue has taken the agency for the New Method Laundry.

A Harvest Supper, with rolls, doughnuts, assorted pies, tea and coffee, will be served in St. Peter's rooms, White street, this evening at 6 o'clock. 35 cents; children, 15 cents.

The Shaw flyers carried four passengers Saturday afternoon—Hon. Elmer S. Bird, Mr. and Mrs. Adriel U. Bird, and Mrs. N. Cook Sholes. Mrs. Bird was the first to make the flight, and could scarcely find words to express her delight with the experience. Mr. Bird, who was in the aviation service during the war, but did not arrive at the coveted distinction of being a pilot, had charge of the machine for a few minutes during his flight Saturday afternoon.

The Wednesday night dances at the Arcade ballroom start this week with Marston's music.

Among the speakers at the annual meeting of the Lincoln United Baptist Association today will be Clifton D. Gray D. D., the new president of Bates College.

The corn roast for the class of 1906 R. H. S. is scheduled for Thursday, Sept. 16, at Lake Megunticook, and will take place on that date, weather permitting. Transportation will be furnished. Fred C. Black is chairman of the committee of arrangements.

Brigadier and Mrs. John T. Sprague, who for the past years have had charge of the Cincinnati Industrial Division of the Salvation Army, have now taken up their command as division officers for the Northern New England district with their headquarters in Portland. The Brigadier will visit Rockland tonight and a big welcome meeting has been arranged by Capt. and Mrs. Smith, the local officers. Mrs. (Brigadier) Sprague and Staff Captain Armstrong, the Y. P. Secretary, will accompany Brigadier Sprague. Saints and sinners are cordially invited to attend at 8 p. m. tonight.

Will those who wish to contribute used postcards, to be sent to Japan, by the W. F. M. S. of the Methodist church, kindly leave them at Gregory's clothing store or with Mrs. Abbie Condon, South Main street.

L. True Spear of Rockport, elected to Legislature from the Rockport, Warren and North Haven Class.

MR. MORAN REJOINS

Editor of The Courier-Gazette:—I noted in your Saturday issue a letter signed "Listener," taking exception to a certain part of my talk in Thomaston on the subject of the League of Nations.

The Lodge quotation, to which my friend "Listener" takes exception, was principally to show that even Senator Lodge was anxious to see accomplished some method to prevent the recurrence of war, and that merely the concluding of a separate peace did not fulfill our obligations. I am told by "Listener" that it is not fair to quote Senator Lodge from a speech delivered in June, 1918, for the war was then in progress. What has that to do with the following sentence in the quotation:

"The intent of the President and the intent of Congress was that there could be no peace until we could create a situation where no such war as this could recur."

I wonder what my friend "Listener" would think of the following paragraph, delivered by Senator Lodge in the United States Senate on December 21, 1918, over a month after the armistice was signed:

"We went to war to save civilization. For this mighty purpose we have sacrificed thousands of American lives and spent billions of American treasure. We cannot halt or turn back now. We are as much bound, not merely by interest and every consideration for a safe future but by honor and self-respect, to see that the terms of the peace are carried out. We cannot halt or turn back now. We must do our share to carry out the peace as we have done our share to win the war, of which the peace is an integral part. We must do or share in the occupation of German territory. We cannot escape doing our part in aiding the peoples to whom we have helped to give freedom and independence in establishing themselves with ordered governments, for in no other way can we erect the barriers which are essential to prevent another outbreak by Germany upon the world. We cannot leave the Jugoslavs, the Czechs, Slovaks, and the Poles, the Lithuanians, and the other states which we hope to see formed and marching upon the path of progress and development, unaided and alone."

That doesn't sound much like a separate peace or the Knox Resolution, does it, "Listener"? Incidentally, I want to say that I appreciate the really decent manner in which "Listener's" letter of protest was written; it is indeed unusual in politics.

WIGHT'S U-TOTEM STORE

Today men and women are marching to their voting precincts to register their choice for Governor, Congressman, Sheriff, etc. Tomorrow they will all have an opportunity to cast their vote for the largest Olives ever brought to the good old City of Rockland. You know what a distinguished gentleman said about the 4th Maine Regiment—"This is the largest, if not the biggest regiment that ever left Rockland." So with the Olives. Right from Spain, in the original pickle. Come in and eat with us.

We have PRESERVING PEACHES and SUGAR—brown and white, and all the rest of the things.

Wednesday, all day, we will sell California best grade PEA BEANS at 20 cents a quart. And RED BEANS at 23 cents a quart. And SHREDDED WHEAT at 14 cents. And California LEMONS at 25 cents a dozen.

Harding would say, "These are great trades." So would Cox; so will you, if you will look.

EMPIRE THEATRE

The week is starting right. See today ROBERT WARWICK in "THE TREE OF KNOWLEDGE," 17th episode of "THE MOON RIDERS," and "SLIPPERY SLICKERS," fresh from the Laugh Factory.

WEDNESDAY AND THURSDAY
 TSURU AOKI, the Japanese star in "LOCKED LIPS"

The offering is based upon the characteristic sense of honor of the Jap, and the actress has a chance to prove this virtue in a climax of genuine dramatic strength. How she gives up her heart to an American—how she discovers that her romance is shallow—how she hides her sorrow in order not to bring anguish to another is told in scenes which reveal deep pathos and heart interest.

THREE STRAIGHT OFF CAMDEN

The Rockland Team Again Put Up a Very Superior Article of Baseball.

Rockland sent 10 men to bat in the first inning of Saturday's game with Camden, on the Broadway ground. Six singles and two doubles, coupled with a base on balls and infield error, brought about a net result of seven runs, and the game was over almost before it had started.

Camden scored her two runs in the second inning, and then, like Rockland, found that she had shot her bolt.

Because of its one-sidedness, and the unquestioned superiority of the home team, the game lacked the pep that is usually seen in a contest between these old-time rivals. There was not even a full-fledged argument.

McDonald and F. Magee ran a pretty race for batting honors. The former made five singles in his five times at bat, while Magee fell a victim to Cottrell's shots after making four successive hits. The Camden score gave McDonald but four hits choosing to credit Morin with an error in the second inning, instead of giving McDonald the scratch hit to which he was entitled. The scoring rules allow much latitude on this point.

Cottrell had but one bad inning, allowing in that session two singles, giving two passes and making a wild pitch which cost a score. F. Magee seemed to be the only man on the Camden team who had much of an idea where the big Rockland twirler's shots were going. Boynton likewise, had one disastrous inning. On the whole he has given the Camden team

very good service this season. Richards brought down the house with a fine running catch of Doneau's long line drive in the 7th, while Doneau pulled 'em off right field fence in a manner little short of startling.

Rockland was without the services of its hard hitting backstop, Vernon Hart, but Sturtevant substituted in a very satisfactory manner.

The score:

	Rockland	Camden
Kennedy, ss	4	1
Oney, 2b	4	1
McDonald, 3b	5	1
Cottrell, p	4	1

EMPIRE THEATRE

"The Tree of Knowledge" heads the list of feature productions this week, with Kathryn Williams in the role of a vicious "vamp," who is eventually relegated to her proper position in the social background. Robert Warwick is the leading man, and Wanda Hawley is in the cast. Episode 17 of "The Moon Riders," is a rattle.

Tsuru Aoki, wife of Sessue Hayakawa, appears Wednesday and Thursday as star in "Locked Lips," a pretty Japanese photodrama. Lotus Blossom, a young Japanese girl living on the island of Hilo, discovers Parker, an American, in the act of burglarizing her house. Parker escaped from America when he believed he murdered a man in a fight. Blossom's sympathies are aroused and she helps Parker to regain his footing, and finally mistaking her maternal feeling for love marries him. Parker soon tires of her and leaves. He changes clothes with a dead man and assumes a new identity. Blossom believes him dead and follows the man she has grown to love, a Jap named Komo, to America. She becomes the companion to Mrs. Stanwood. When Mr. Stanwood returns from a business trip Blossom recognizes him as Parker. For the sake of Mrs. Stanwood she keeps silence. Stanwood, distrustful of Blossom, attempts to kill her by poison fumes, but in a fight with Komo he is shut up in the room himself and dies. Blossom and Komo find happiness together.—adv.

GLENMERE

Miss Mattie Wall is spending a few days with Miss Rosa Toole.

Miss Catherine Andrews has returned home from Lynn and Portland where she spent a part of her vacation. Mr. and Mrs. Frank A. Wiley of Thomaston were here for the Labor Day weekend. They were accompanied by Mr. and Mrs. Eugene H. Smith who left Tuesday for their home in Wilmington, Del.

Alvah Harris has returned to Boston after spending his vacation here. Mr. and Mrs. Winfield Hooper of Portland are spending their vacation in town.

healthy skin

Yellow, blotchy skin is not only disagreeable and repulsive in itself, but it is the outward sign of biliousness and a sluggish condition of the liver, which may gradually undermine your health.

Don't let this continue. Use "L. F." Atwood's Medicine to keep the liver, stomach and other digestive organs working smoothly. You will feel better, have more energy and your complexion will become clear and healthy. Your blood will absorb more strength from your food, and your system will be better able to withstand disease.

Keep a bottle always ready. Take a liberal dose at the first symptom of constipation or sick headache. The true "L. F." will benefit the whole family, young and old. It is absolutely harmless, and gives relief without weakening some other organ. For 60 years it has brought health and happiness to thousands, and never fails to justify the confidence placed in it. If you have never tried it, buy a large bottle, 50c from your dealer. "L. F." Medicine Co., Portland, Maine.

"DOES THE WORK," SAYS ALBANY MAN

Tells of Wonderful Results He Got From Tanlac—Wife, Who Is Trained Nurse, Praises It.

"For the benefit of anyone who is suffering from the after effects of the 'flu,' I want to tell of the wonderful results I have gotten from Tanlac," said Gustav Fischer, 474 First Street, Albany, N. Y.

"I never knew what it was to have a day's sickness before I had the 'flu' a little over a year ago, but that left me in a dreadfully run-down condition. I had no appetite and felt off in weight until I was almost a skeleton. I became so dizzy at times that I was in danger of falling and got little sleep at night. The least bit of exertion tired me out completely and I returned home from my work every night just about exhausted.

"So many Albany people were being helped by Tanlac that I decided to give it a trial, and in a very short while I was feeling like a brand new man. I now have a hearty appetite and my food does me good, for I am so much stronger that I can do a big day's work without even getting tired. I sleep like a log every night and get up in the mornings feeling just fine.

"In fact I have improved so much that my friends are all having something to say about it. I certainly think Tanlac is a very unusual medicine, and so does my wife, who is a trained nurse, and I'm glad of this opportunity to tell about my experience and hope it will benefit others."

Tanlac is sold in Rockland by Corner Drug Store, F. M. White & Co., Vinalhaven, Whitney & Brackett, Thomaston, W. K. Jordan, South Warren, H. L. Robbins, Union, Wm. R. Sheerer, Tenant's Harbor, Knox Cooperage Co., West Rockport and by leading druggist in every town—adv.

Physician Explains Why He Prescribes Nuxated Iron for Run-Down, Anaemic People

Says It Quickly Increases the Strength and Energy of Men and Brings Roses to the Cheeks of Nervous, Run-down Women

Ask the first hundred strong, healthy looking people you meet to what they owe their strength and energy and see how nearly they reply "Nuxated Iron."

Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (New York City), of New York and the Westchester County Hospital says: "Thousands of nervous, run-down, anemic people suffer from iron deficiency but do not know what to take. There is nothing like organic iron. Nuxated Iron quickly enriches the blood, and thereby put roses in the cheeks of women and gives men increased strength and energy."

Unlike the older forms of iron, Nuxated Iron does not injure the teeth nor upset the stomach, but is readily assimilated and you can quickly recognize its action by a renewed feeling of buoyant health.

No matter what other iron remedies you have used without success if you are not strong or well you owe it to yourself to make the following test: See how long you can walk or how fast you can walk without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. To be absolutely sure of getting real organic iron and not some form of the metallic variety always ask for

Over Four Million People Annually Are Taking Nuxated Iron

Nuxated Iron is its original package. Nuxated Iron will increase the strength, power and endurance of delicate, nervous, run-down people in two weeks' time in many instances.

MANUFACTURER'S NOTE: Nuxated Iron, which is recommended above is not a secret remedy but one which is well known to druggists everywhere. Unlike the older inorganic iron products it is easily assimilated and does not injure the teeth, make them black, nor upset the stomach. Each tablet of genuine Nuxated Iron is stamped as follows: "Nuxated Iron" and the words "Nuxated Iron" are stamped in five places on each tablet so that the public may not be misled by cheap imitations.

The manufacturer guarantees successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed by all good druggists in tablet form only.

Mr. and Mrs. Clarence Mears and little daughter, Maxine, of Portland, spent the weekend with Mrs. Mears' mother, Mrs. Ida Young. They motored here, accompanied by Mrs. Young, Mrs. Frank Newhall and daughter Faith they motored to Belfast Sunday.

Fashion has rarely been so favorable to ribbons as it is at the present time. Girdles continue to be the piece de resistance of many of the newest frocks. No one particular kind of ribbon is favored over another and all kinds from the very widest to the narrowest are being used for this purpose, says the Dry Goods Economist. Where the wide, supple satins and broadcades are being used, less decoration is affected, but in a great many instances many narrow ribbons of different colors and weaves are being combined to make the girdle and are being decorated with flowers which are also made of ribbons. In fact, ribbon flowers are gaining a wide popularity for evening gowns. They are often used on draperies or tucked coyly among the laces of a gown.

Mrs. Frank Campbell has returned from Boston, where she has been spending several days with her husband. The latter sailed Saturday for Norfolk.

Joseph Cohen of Boston is the guest of his son Harry during the holidays.

George H. Hart and son Vernon returned Sunday morning from Boston, where the latter has been making arrangements to enter Boston University.

A HOUSE—OR A HOME

WHICH IS YOURS?

What a dull old world this would be without music!

And yet, your own household is a little world in itself.

Right now, in thousands of happy American homes you'll find music the evening rallying cry for the whole family—from Mother and Dad down to the tiniest tot. Music lays the foundation of real household happiness. It draws the family circle closer. It transforms any house into a real HOME.

If you and your family are not enjoying the many benefits that music can bring, then by all means let us show you the fine line of

PIANOS AND PLAYER PIANOS

we have in our store.

Afford one? Of course you can! The prices are surprisingly low for such excellent instruments.

And besides—instead of paying the entire cost all at once, you may take advantage of our special terms of convenient payments. Terms that permit you to enjoy the instrument while you pay for it in small weekly or monthly amounts.

OUR RENTAL PIANOS ARE NOW COMING IN. THIS IS YOUR OPPORTUNITY TO SAVE MONEY.

ROCKLAND PEOPLE FLOCK TO LEARN OF GOLDINE MOST SUCCESSFUL EVER KNOWN HERE—ALREADY DOZENS ARE RECEIVING HELP

Why Not Give This Wonderful New Medicine a Trial?

Demonstration Still Continued at Johnston's Drug Store, 370 Main St., Rockland, Maine.

McCluskey Himself

The Goldline Man

Already several hundred local people have visited Johnston's drug store to take advantage of the introduction of Goldine. Many who first started its use Saturday were reporting good results yesterday. One man said that he was so bad with his back and lumbago he could hardly get into or out of bed on Saturday, and yesterday he was able to walk down town. Another lady reports the first good night's sleep in six months after four doses. She says it relaxed her nerves completely and is relieving her of Neuritis, which was very severe. A well known man said: "I doctored for four years for stomach trouble without help. I had no appetite for food and was filled with gas until it pressed against my heart, causing much pain. I started Saturday and Sunday noon ate a good dinner and slept like a top and got up feeling good on Monday. I tried many medicines and never got help so quick from anything as I have from Gold-

line." The Goldline representative does not advise, prescribe, recommend or even insist on your trying Goldine, but will show you what it has done for others.

GOLDINE No. 1 is used in the treatment of stomach, heart and nerves, indigestion, female troubles, physical decline and debility, to build you up and create strength. Tablets or liquid, put up in the yellow package. Show's picture on each.

GOLDINE No. 2 is used for catarrh, kidneys, bladder, liver, blood, rheumatism, weak back, eruptive and skin diseases and to purify the entire system. Tablets or liquid, put up in the green packages. Show's picture on each.

GOLDINE LAXATIVES are used for constipation, costiveness, liver trouble, gall trouble, congestion of the liver and for cleansing the organs of digestion and excretion.

PARK THEATRE

Not to have seen Lillian Gish in "Broken Blossoms" yesterday or today is to have missed one of the most remarkable pictures D. W. Griffith has ever produced. The episodes involve three persons—Battling Burrows, a bully of the London slums; a young Chinese poet named Cheng Huan, who has come out of the Far East to spread to other peoples the doctrines of brotherly love, and Lucy, a girl of 15 who, when but a mere babe, was thrust into the arms of Battling Burrows—a bundle of white rags—the gift of one of Battling's girls.

When he is drunk or out of temper, the Battler, a prize fighter, visits his rage upon this piteous child. Concerned with its own sins, Limehouse has no time to bother about Lucy or her sorrows. But there is one who does care. This pitying one is the young Chinaman. His higher hopes beaten down, all that remains to him of beauty and of light is his wistful, almost sacred love for this helpless child who passes by his store. The screen story tells how he befriended the young girl after she had been cruelly beaten, how the bully wreaks a terrible revenge, and of the fate which overtook the consciousnessless brute.

On Wednesday pictures give way to the spoken drama, the attraction being the famous New York success, "Ten For Three."

Thursday's picture program presents Emily Stevens in "The Sacred Flame," a love story showing man's ingratitude.—adv.

KNOX POMONA GRANGE

Saturday's Session In Cushing Favored By Presence of State Master Thompson.

Knox Pomona Grange held its regular session with Acorn Grange, Cushing, Saturday, and it proved to be one of the best meetings in the history of this Pomona. It was a day of both pleasure and profit. Only the Lecturer and a few of the Patrons knew of the pleasant surprise in store until the State Master and family appeared as the fifth degree was about to be conferred. At the previous meeting the degree was conferred upon a class of 42 and at this meeting, two more received it. The State Master told the Patrons that Knox county was doing most excellent work. Mr. Thompson and family were very cordially received, and at the lecturer's hour, when the State Master was called upon, he took for his subject, "The Advantages of Maine." He spoke for nearly an hour, and during that time, there was scarcely a movement in the hall. Everybody was interested, and it was certainly a splendid lecture. Sister Thompson spoke at some length on "our duty as citizens," telling the sisters that now they have the right to the ballot, it is their duty to use it, but if they don't use it, they have no right to complain, no matter what happens contrary to their wishes.

The Patrons learned long ago, what delicious clam chowder, Acorn Grange can serve. The member of that Grange put forth every effort to entertain their guests. A splendid response was given by Sister Clara Light to Brother Woodcock's welcome. The Patrons all feel deeply grateful to Brother Thompson for the explanation on the questions of the \$5 poll tax, and State income tax law. These questions have twice previously this, been before the Patrons for discussion, and they were, at this meeting, given permission to ask questions.

Knox Pomona will have two regular meetings and one special one in October. The special session will be held Oct. 20 in Glover hall, Warren, and will be called at 10 a. m. The fifth degree will be conferred in the morning, if necessary. Warren Grange will serve the regular Grange dinner, with all Patrons doing their part as usual. Directly after dinner the State officials will occupy the chairs, and the sixth degree will be conferred upon all who have taken the fifth degree, whether of Knox county or any adjoining county. At the close of the degree, a program will be given, and the State Master will bring with him a speaker. It would be greatly appreciated if all those wishing to take the sixth degree would kindly notify the lecturer of Knox Pomona Grange.

APPLETON

The following poem was read by Mrs. Mary Gushee Ames at the recent Robbins Reunion:

OUR CREED

Love to the dear old folks,
Love them and tell them you do,
Walk with them through their faltering years,
The same as they walked with you.

Be kind to the feeble ones,
Make their pathway more bright,
Cheer the heart that mourns,
Make heavy burdens light.

Clasp kindly the hand of each dear one,
Respect each silver thread,
Fond words sound sad and lonely
When the poor heart is dead.

Remember the loved who are with us no more,
Think of them as daylight grows dim;
Oh, do not forget those passed on before
Whom we'll never meet here again.

Let's make our creed loving and giving
The best we have of love's store,
Then when our dear ones have left us,
We'll be glad for it o'er and o'er.

Be kind to each father and mother,
Love them, and tell them so,
Don't let their hearts be lonely
As they tread life's pathway below.

And when life's brief dream has departed
And we enter that other land,
We will clasp the hands of the true-hearted,
A loving, unbroken band.

A ROCKLAND MAN'S EXPERIENCE

Can you doubt the evidence of this Rockland citizen?

You can verify Rockland endorsement. Read this:

Charles H. Felch, blacksmith, 31 Gay street, Rockland, says: "We have used Dean's Kidney Pills in the home quite frequently and they have always proven beneficial. Some years ago my kidneys began to give me trouble. My back pained severely and it was hard for me to keep going at my work. I was so lame across my back. My kidneys didn't act regularly so I decided to use Dean's Kidney Pills. They weren't long in ridding me of the trouble. I gladly recommend Dean's."

BUICK

POWER, sturdiness and dependability have been qualities of Buick Valve-in-Head Motor Cars from the time that the name Buick first became linked with the automobile industry. Today, in equal measure as in the past, the Buick Motor Company is dedicated to a continuance of the policy that has caused the Buick car to occupy the position it holds in the public mind.

To all that the name Buick has meant in twenty years of automobile history, the new Nineteen Twenty One Buick brings that grace of movement, that refinement of every line and feature, that sheer beauty of design which inspire a pride of ownership in a fine motor car.

The new Buick line comprises seven models, one for every possible demand. Each has the famed Buick Valve-in-Head Motor, as rugged and powerful as ever, yet refined into a mechanism of unusual quietness.

The improved radiator, hood and cowl lines give a finished touch of trimness to the body, yet without any sacrifice of Buick individuality.

A more resilient spring suspension gives these new Buick models a riding comfort as delightful as their exterior appearance is pleasing.

Each of these seven models has its own value particularly adapted to a distinct class of service. All possess those inherent Buick qualities that assure the owner the uninterrupted use of his investment.

After Thorough Trial a Detroit, Mich., Man Endorses Pe-ru-na

The following letter written from Detroit, Michigan is no snap judgment expressed on the merits of Pe-ru-na, the well-known cathartic remedy, but rather a mature, sober opinion formed after a full year's trial.

This is the way Mr. Michael Fakio of 908 East Palmer Avenue, in the Michigan Metropolitan, writes: "After using PE-RU-NA for about one year will say I have found it a very good medicine for catarrh. It has helped me a great deal and I am very well satisfied. I have gained in weight, eat and sleep well, my bowels are regular and better color in my face."

"PE-RU-NA has done wonders and to me is worth its weight in gold. I shall continue to use PE-RU-NA as long as I live and recommend to my friends who are troubled with catarrh. Nothing can be more convincing than an endorsement of this nature from an actual user. There are many people in every community whose experience, in using Pe-ru-na, has been identical with Mr. Fakio's. It is the standby for coughs, colds, catarrh, stomach and bowel disorders and all catarrhal conditions. Put up in both tablet and liquid form. Sold EVERYWHERE."
